Who are Tape-Ins For?

Most clients. Use professional judgement on extreme thin, fine or brittle hair.

Pricing:

Charge separately for hair and installation.

Supply & Demand. Market Research.

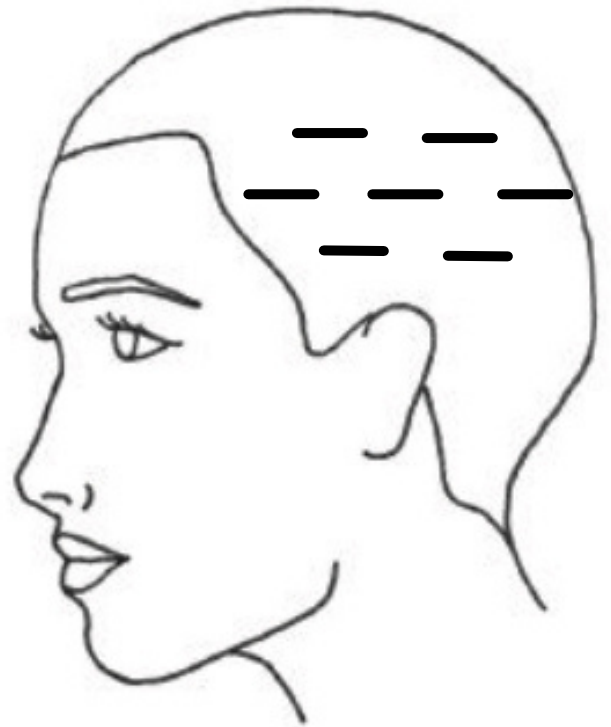

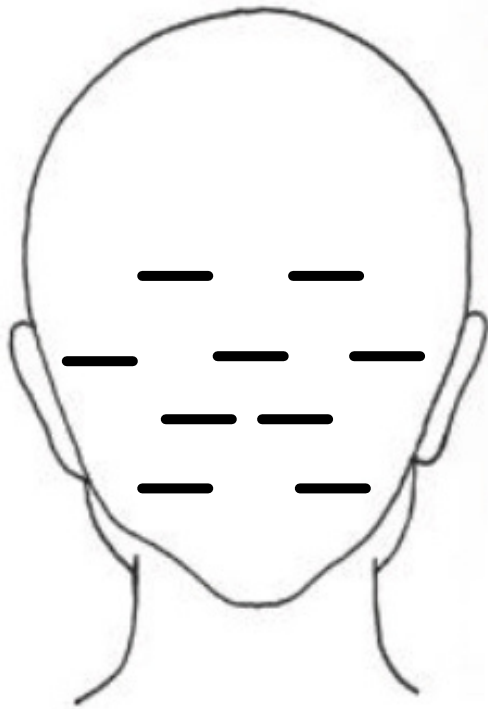

Always require a deposit.

Color Matching:

We recommend using at least 2 colors to create the most natural blends. Make sure the extensions are not darker than the natural base

PLACEMENT

WORKING WITH BRICK LAYER PLACEMENT ALLOWS FOR MORE NATURAL MOVEMENT. IT ALSO ENSURES LESS WEIGHT ON YOUR CLIENTS NATURAL HAIR- MAKING IT LESS PRONE TO DAMAGE. WORKING IN HORIZONTAL SECTIONS, MAKE SURE YOU ARE PLACING THE TAPES 1/4 INCH OFF THE SCALP AND PARALLEL TO YOUR SECTION. ALWAYS MAKE SURE YOUR TAPE IS TWO FINGER WIDTHS AWAY FROM THE HAIRLINE AT ALL TIMES.
